CAPABILITY STATEMENT

MISSION BOX SOLUTIONS INC is a SBA-Certified: Service-Disabled Veteran-Owned Small Business (SDVOSB) that provides Information Technology & Healthcare talent, offering both cleared and non-cleared professionals to support the diverse needs of agencies and businesses. With a focus on full-life-cycle technical and strategic recruiting, we excel in identifying and delivering top-tier talent in a timely manner that aligns seamlessly with organizational objectives.

MBS specializes in supporting the Commercial, Private Industry, DoD, Intelligence Community (IC), Cleared, and Federal customer space.

ABOUT US

Founded by a 20-year Army Veteran and his Military Spouse with over 15 years of recruiting experience in military, commercial, and government sectors. The phrase Mission Box has its origin in recruiting duty while serving in the military. Recruiting expectations were to always “make mission”, however only the best organizations would achieve what is called “Mission Box” which meant exceeding mission requirements. This inspired our name as Mission Box Solutions because we always “Mission Box”.

OUR VALUES
